5	Part-B Scope of Work, Qualifying Requirements and TC Clause 4	"EESL shall arrange to provide all available data (sorted), information, and data pertaining to this study apart from facilitating the Stakeholder consultation. However, the consultant shall do all necessary efforts to capture data from public domain, own resources, and secondary research"	We request EESL to kindly support the project team with meeting request letters and approvals for the consultations. The project team will actively support in identifying relevant stakeholders, drafting request letters and coordination for finalizing meetings.	Shall facilitate by sending the invites for the meetings. The onus of arranging meetings will be with selected bidder
6	Part-B Scope of Work, Qualifying Requirements and TC Clause 5	"Survey Findings: 3 weeks from the date of award of work".	From PwC's experience in conducting regional on-ground evaluations & impact assessments, we expect regional sampling to take atleast 7 weeks to cover atleast 15 constituencies spread across 11 states. Hence, we request EESL to kindly extend the 'survey findings' timeframe to 7 weeks.	As per RFP
7	Part-B Scope of Work, Qualifying Requirements and TC Clause 5	"The entire study would be completed within a period of 2 months from the date of issuance of LoA by EESL. The Contract shall be valid for a period of 06 (Six) months from the date of issuance of LoA"	To derive optimal results and quality recommendations from the study, we request EESL to extend the project timeframe to 4 months from the existing 2 months.	As per RFP
8	Part-B Scope of Work, Qualifying Requirements and TC Clause 3 (x)	"The study will be done on sampling basis. The consulting firm will take prior approval from EESL for the sampling methodology, questionnaire, and its evaluation strategy as well as methodology for extrapolation. Min. Constituency: 15 Nos Min. Sampling: 300 Nos. (Total)	From the information in the RFP we estimate that the total number of minimum constituencies are 14 and minimum SSLs to be sampled are 280, as shown in the table below. As per the requirement in the RFP, kindly clarify how the remaining one other constituency and 20 SSLs shall be selected.	The balance 20 samples shall be selected from any constituency under AJAY-II scheme
9	Part-B Scope of Work, Qualifying Requirements and TC Clause 7 Serial No. 10	The bidder should have average annual turnover of minimum Rs. 9.3 lakhs in the preceding three completed Financial years (viz, 2017-18, 2018-19, 2019-20)	This clause seems undermining/ contradicting with clause 7.5 of RFP page - 92 which states that "Bidder should have successfully executed similar work in last 3 years in Govt depts./ PSU/ULBS/Discom-Two work order/ Project with cumulative contract value is Rs. 25 lacs "	As per RFP
10	Part-B Scope of Work, Qualifying Requirements and TC Clause 7 Serial No. 5	"Bidder should have successfully executed similar work in the last 5 years in Govt Dept./ PSU/ULB/ DISCOM:-"	Considering pandemic situation, we request EESL to ease this criteria of execution of work from Last 3 years to last 5 years. This clause may be amended as	Amended as "Bidder should have successfully executed similar work in the last 5 years in Govt Dept./ PSU/ULB/ DISCOM:-"
