

Chapter – 6: statement of the categories of documents that are held by EESL or under its control;

Every assignment or task undertaken by EESL is initiated by the officer(s) through a written noting, which runs in a file to the senior officer(s) to seek approval of the relevant/ applicable authority of EESL. All tasks to be carried out by EESL have to be explained in detail in such file noting and views or opinions of every officer involved in the approval process are also recorded in this same document. Further, all these records are retained as per the record retention rules of the Government of India. The public release of a copy of these files noting is covered under the Right to Information Act, and if deemed permissible, can conveniently be sought from the designated Public Information Officer by filing an RTI application.
