

Stakeholders Consultation Meet on “Solar Based Induction Cooking Solution – Solar ICS”

Mode: Virtual meeting

Date: 25th March 2023

Timings: 11:00 to 14:00

Objective of the Consultation Meet: EESL plans to initiate market-based interventions for Solar based Induction cooking solutions by leveraging Carbon financing for a financially and environmentally sustainable market model. EESL published EOI on 4th March 2023 to seek public consultations on the proposed model of implementation of large scale solar based electric cooking interventions, technical specifications, alternate models of implementation, if any; and a design of a suitable M&V device to facilitate an easy validation and verification for Carbon financing.

Draft Agenda
