

Notice for EESL Vendors:

Dear EESL Vendors,

We greatly appreciate and value the support and partnership of the Indian Industry in our endeavours to promote energy efficiency throughout the country. In line with our commitment to enhance transparency in bill processing, we are pleased to announce the launch of the Bill Tracking Portal, UNIFY (unify.eeslindia.org), effective May 20, 2023.

2. To ensure the success of this mutually beneficial measure, we hereby notify all EESL vendors that it is now mandatory to exclusively submit all bills through the UNIFY portal. Starting from 00:00 hours on May 25, 2023, no invoices will be processed offline.

3. To facilitate effective communication regarding this important initiative, an automated email has been sent to all registered email addresses. This email provides updates on the matter and includes login credentials for the portal. Please follow the instructions below based on your email domain:

- a) Companies with email addresses associated with their respective company domain may directly access the portal and proceed with the required activities.
- b) Companies with email addresses from general domains such as Gmail, Yahoo, Hotmail, and others are kindly requested to contact the State Teams/EICs immediately for verification purposes.
- c) Companies whose email addresses are not currently registered with us are requested to promptly update their contact details by contacting the State Teams/EICs. A list of parties without registered emails is provided as attachment to this Notice:

4. We urge all vendors to comply unequivocally with these instructions to ensure seamless bill submission and processing. Should you have any further inquiries or require assistance, please do not hesitate to reach out to the respective State Teams or EICs. For technical issues related to the portal, kindly direct your concerns to support@eesl.co.in.

5. Furthermore, please be informed that we are committed to continuously improving the portal to ensure a seamless experience for all our industry participants.

Thank you for your cooperation.

Yours sincerely,

CEO EESL
