

## Amendment No. 1

Ref.: EESL/CC/Zone Wise/IGEA/Building/2024- 25/OTE/242508001/Amdt. No.-1

Dated: 19.09.2024

To,

M/s .....

.....

**Subject:** Amendment No. 1 in Tender/RfP No. EESL/CC/Zone Wise/IGEA/Building/2024-25/OTE/242508001 Dated 06th Sept 2024 for "Zone Wise Rate Contract for Investment Grade Energy Audit (IGEA) for Buildings"

References:

1. EESL/CC/Zone Wise/IGEA/Building/2024- 25/OTE/242508001 Dated 06th Sept 2024.
2. Pre-Bid Meeting held on 13.09.2024.

Dear Sir/Madam,

The Amendment (s) to above mentioned RfP is attached herewith as Annexure-A.

This issues with approval of competent authority.

The prospective bidders are advised to regularly keep visiting and checking the E-procurement portal website (<http://www.tenderwizard.com/EESL>) for any further forthcoming information/notice(s) /developments/ amendments /clarification(s) regarding the subject Tender.

Rest all the terms and conditions of the RfP/subsequent amendments remains unchanged.

Thanking you,

For & On behalf of EESL

12	Part-C Technical Specifications of Section-4 Page 3 Clause 3.0	For large buildings, 30 days may not be sufficient, EESL is requested to consider 30, 45, 60 days for each type.	Delivery schedule / Work Completion Schedule Sub clause 3.3 All the allocated work shall be completed within 30 days from date of issuing the release order/purchase order by EESL.	<b>Clarified as:</b> No Change															
13	Part-C Technical Specifications of Section-4 Page 4 Clause 4.0	Please consider advance payment.	1. Milestone-I- 40% upon completion of field studies and submission of draft reports (through email/ letter) and acceptance of the same by EESL within seven (07) working days of the draft report submission. The draft reports shall be deemed accepted in case no response is given to bidder by EESL within this time frame of seven (07) working days from the date of submission. 2. Milestone-II- 60% upon submission and acceptance of final reports	<b>Clarified as:</b> No Change															
14	Part-C Technical Specifications of Section-4 Page 7 Clause 8.0	Please provide how many multiple audit works that might come up for simultaneous execution. Please consider having a consultative process with the contracting agency for scheduling of site mobilization and work plan and define a limit of multiple audit works.	Evaluation Criterion Sub point iv. Post awarding in case of non- performance/default/denied undertaking multiple audits works simultaneously by the successful bidder in a particular zone then client requirements.	<b>Clarified as:</b> No Change															
15	Part-C Technical Specifications of Section-4 Page 7 Clause 8.0	Please clarify that agency will be provided with the differential cost for the cost variation in respect of the zone other than agency contract zone in case of transferring work of other zones to the agency.	Evaluation Criterion Sub point iv. EESL reserve the right to offer the same work to the other zones successful bidder with the same terms and conditions as applicable to the default bidder. Also, the above is applicable in case, EESL set the Priority of works as per the client requirements.	<b>Clarified as:</b> Same zone L1 offer shall be applicable															
16	S.No.I under A: Eligibility Criteria of Part-b of Section-4 at page no. 1	We are Registered under Societies Act 1956 we feel we are eligible to bid this proposal.	Bidder should be a Single Entity means a limited company (as defined in the Companies Act, 1956 and any amendment thereof) OR A registered partnership firm (registered under section 59 of the Partnership Act, 1932 and any amendment thereof) OR A limited liability partnership (under the Limited Liability Partnership Act, 2008 and any amendment thereof) OR Proprietorship firm	<b>Amended as:</b> Bidder should be a Single Entity means a limited company (as defined in the Companies Act, 1956 and any amendment thereof) OR A registered partnership firm (registered under section 59 of the Partnership Act, 1932 and any amendment thereof) OR A limited liability partnership (under the Limited Liability Partnership Act, 2008 and any amendment thereof) OR Proprietorship firm															

			(Consortium/JV is not allowed in the tender)	<p>partnership (under the Limited Liability Partnership Act, 2008 and any amendment thereof)</p> <p>OR</p> <p>Proprietorship firm</p> <p>OR</p> <p>A firm registered under Society Registration Act 1860</p> <p>(Consortium/JV is not allowed in the tender)</p> <p><b>Documents to be submitted:</b></p> <p>Copy of certificate of incorporation/ Memorandum of Association/Article of Association</p> <p>OR</p> <p>A registered Partnership Deed</p> <p>OR</p> <p>LLP registration certificate issued by registrar of Companies OR</p> <p>In Case of Proprietor, GST Registration and PAN Card copies are to be submitted</p> <p>OR</p> <p>Certificate of registration under Societies registration act 1860</p>
17	S.No.1 under B: Qualifying requirement of Part-b of Section-4 at page no. 4	From this point it is understanding that subcontracting is allowed. Please clarify	Subcontractors' technical experience and financial resources shall not be taken into account in determining the Bidder's compliance with the qualifying criteria.	<b>Clarified as:</b> Bidder selection will be based on the criteria outlined in the QR
18	Clause no. 1.2: Clarification on Bidding Documents at Page No.7 of 23 under Section-2 instructions to the bidder (ITB)	Since this assignment involves extensive coverage across geographies various states across the country. It is very difficult and financially burden to travel for all the places to examine the site. We kindly request you to provide the details of the facilities which needs to be visited, building name and connected load, annual energy consumption, city and covered area	The Bidder is advised to visit and examine the site where the Facilities are to be installed and its surroundings and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and entering into a contract for supply and installation of the Facilities. The costs of visiting the site shall be borne by the bidder fully.	<b>Clarified as:</b> No changes & bidder advise to bid accordingly.
19	Clause no. 1. Qualification	Since this assignment involves extensive coverage	Subcontractors' technical experience and financial resources shall not be taken into	

	of the bidder at Page No.3 of Part-b of Section-4 (Eligibility and Qualifying Requirements (QR))	across geographies, it is requested to allow consortium bids for enhanced capabilities and flexibility in use of relevant experts in different geographies.	account in determining the Bidder's compliance with the qualifying criteria. The bid can be submitted by an individual firm only (i.e., Sole bidder). Consortium/JV not allowed.	<b>Clarified as:</b> No Change
20	Clause no. 1.1 Qualification of the bidder 1.1.1 under Technical Experience at Page No.3 of Part-b of Section-4 (Eligibility and Qualifying Requirements (QR))	We request you to consider one value let's say INR 135 L as eligibility to bid for all packages with work order. As funding organization and govt. agencies do not provide completion certificates. Request you to consider the project studies related to ESG as part of the similar work activities. We propose that the requirement be reconsidered to foster inclusivity and provide an opportunity for a wider range of agencies to contribute their expertise to the project.	Bidder should have successfully executed / completed 'Similar work' in the last 3 years, as on the originally scheduled date of bid opening (i.e., date of bid opening as per NIT) in DISCOMS (private &/or Government Distribution Company) /Government Department/Public Sector Undertaking (PSU)/ Urban Local Body (ULB)/any other Govt. Organization /Private Company.  Cumulative Work Order valued (Total in Last Three Years) not less than Packages For Package -1 (East Zone) - 127.50 INR in Lakhs For Package - 2 (West Zone) - 135.75 INR in Lakhs For Package -3 (North Zone) - 127.25 INR in Lakhs For Package -4 (South Zone) - 127.25 INR in Lakhs  "Similar Work" means Energy Audits/Baseline Study/M&V Study/ decarbonization studies/Energy efficiency studies	<b>Clarified as:</b> No Change
21	I. Common Scope of Work for All Sectors 1. Baseline and Measurement at Page No. 1 of Part-C Technical Specifications of Section-4	As per our experience, some buildings will not have steam and air (compressed) systems. Apart from that not all buildings will be having provision for IoT equipment and platform. Hence, we request you to exclude the same or provide the relaxation.	System Studies: Conduct detailed studies of electricity, steam, air, and water distribution systems. Use IoT equipment and platforms to measure and assess the performance of major energy-consuming equipment and processes.	<b>Clarified as:</b> No Change
22	I. Common Scope of Work for All Sectors 1. Baseline and Measurement at Page No. 1 of Part-C Technical Specification	As per our understanding, Production records in buildings are either energy generation from DG sets / cogeneration system or energy consumption. We will try to collect energy bills (fuel and electricity) of building for the energy consumption. Since Kindly	Gather historical energy consumption data, production records, equipment specifications, and process flow diagrams.	<b>Clarified as:</b> The desired details will be provided to the successful bidders upon issuance of the PO

	s of Section-4	request you to specify what exactly does the process flow diagrams of buildings shall comprise of. (eg: building layout)		
23	2.0 General Information 1. Zone wise allocated states Details at Page No.2 of Part-C Technical Specifications of Section-4	We request you to kindly share the list of facilities with location address. This will help us in team and composition and estimating our financials proposal precisely considering all the travel and logistics adhering timelines for intended deliverables.	<p>Package 1 Eastern Zone (West Bengal, Bihar, Jharkhand &amp; Odisha, Assam, Arunachal Pradesh, Nagaland, Meghalaya, Manipur, Mizoram, Sikkim &amp; Tripura)</p> <p>Package 2 Western Zone (Rajasthan, Chhattisgarh, Madhya Pradesh, Gujarat, Maharashtra, Daman &amp; Diu, Goa and Dadra &amp; Nagar Haveli)</p> <p>Package 3 Northern Zone (J&amp;K, Punjab, Uttarakhand, HP, Haryana, Delhi, Uttar Pradesh, UT Ladakh and UT Chandigarh.</p> <p>Package 4 Southern Zone (Andhra Pradesh, Karnataka, Kerala, Tamil Nadu, and Telangana, UT Lakshadweep, UT Puducherry, UT A&amp; N Islands</p>	<b>Clarified as:</b> It is not possible to share this data prior to the tender process. The desired details will be provided to the successful bidders upon issuance of the PO.
24	3.0 Delivery schedule / Work Completion Schedule at Page No.3 of Part-C Technical Specifications of Section-4	Based on our experiences, sometimes there may be multiple (let's say 10) sites in different (say 8-10) locations. This timeline will be very stringent to complete the work. Hence, we request you to kindly share the list of facilities with location address and allow flexible times considering the unforeseen circumstances.	All the allocated work shall be completed within 30 days from date of issuing the release order/purchase order by EESL	<b>Clarified as:</b> No Change
25	Clause no. 2.8 bid prices at page no.11 of 23 of section-2 instructions to the bidder (itb)	As per our understanding this clause is not applicable. Our is limited to consulting service contract and we are not manufacturing / procuring / supplying / installing / commissioning any goods at the client site. Kindly advise.	Unless otherwise specified in the technical specifications, bidders shall quote for the entire facilities on a "single responsibility" basis such that the total bid price covers all the contractor's obligations mentioned in or to be reasonably inferred from the bidding documents in respect of the design, manufacture, including procurement and subcontracting (if any), delivery, construction, installation, survey cost, monitoring and verification cost and completion of the facilities including supply of mandatory spares or spares to be supplied during warranty (if any). This includes all requirements under the contractor's responsibilities for testing, pre - commissioning and commissioning of the facilities and, where so required by the bidding documents, the acquisition of all permits, approvals and licenses, etc.; the operation, maintenance and training services and such other items and services as may be specified in the bidding documents, all in	<b>Clarified as:</b> No Change. These are standard Clause of Section 2 their applicability may be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP.

			accordance with the requirements of the General Conditions of Contract and Technical Specification	
26	Clause no. 4.7 Technical Evaluation at Page No.17 of 23 of SECTION-2 INSTRUCTIONS TO THE BIDDER (ITB)	Minimum experience of the team members are not specified. Are there any passing marks or criteria meeting for the Team composition based on relevant experience and qualification degree specialization.	The EESL will carry out a detailed evaluation of the bids previously determined to be substantially responsive in order to determine whether the technical aspects are in accordance with the requirements set forth in the bidding documents. In order to reach such a determination, the EESL will examine and compare the technical aspects of the bids on the basis of the information supplied by the bidders, taking into account the following factors:	<b>Clarified as:</b> The bidder will be selected based on the details provided in the QR
27	Clause no. 4.9 Evaluations of Deviations at Page No.18 of 23 of SECTION-2 INSTRUCTIONS TO THE BIDDER (ITB)	As per our understanding this clause is not applicable. This clauses area more relevant for goods and supply of materials. Kindly advice	b) Time schedule (program of performance) The plant and equipment covered by this bidding are required to be transported/ shipped and installed, and the facilities are to be completed within the period as mentioned below.  Completion of all facilities/work: As per year/months indicated in SCC. The above date will be the effective date specified in the contract agreement. Bidders are required to base their prices on the time schedule or, where no time schedule is given, on the completion date(s) given above. No credit will be given for earlier completion. The master network and the key milestone dates will be discussed with the successful bidder and agreed upon in pre-award discussion before issuance of Letter of Award. Engineering drawing and data submission schedule shall also be discussed and finalized before the issuance of Letter of Award.	<b>Clarified as:</b> No Change. These are standard Clause of Section 2 their applicability may be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP.
28	Clause no. 4.9 Evaluations of Deviations of Page No.19 of 23 of SECTION-2 INSTRUCTIONS TO THE BIDDER (ITB)	As per our understanding this clause is not applicable. Our is limited to consulting service contract and we are not manufacturing / procuring / supplying / installing / shipping any goods at the client site. Kindly advice	After the Letter of Award, the contractor shall plan the sequence of work manufacture, supply, installation to meet the above stated dates of successful completion of facilities and shall ensure all work, manufacture, shop testing, inspection and shipment of the equipment in accordance with the required sequence.	<b>Clarified as:</b> No Change. These are standard Clause of Section 2 their applicability may be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP
29	Clause no. E. Award of Contract 5.1	As per our understanding, this is service contract and all the relevant clause linked	Single Contract shall be placed for following Price Components: a) For supply of plant and equipment; b) For providing all services i.e. inland	<b>Clarified as:</b> No Change. These are standard Clause of Section 2 their applicability may be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP

	Award criteria at Page No.21 of 23 of Section-2 instructions to the bidder (ITB)	to supply of goods and other aligned items clauses are not applicable to the bidder. Kindly confirm.	transportation for delivery at site, inland transit insurance, unloading, storage, handling at site, installation (including civil. Structural steel work & allied work, if applicable) insurance covers other than inland transit insurance, erection, testing & commissioning, in respect of all the Goods supplied under the 'First Contract' and all other c) Any other Services as specified in the Contract Documents.	be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP.
30	Clause no. E. Award of Contract 5.1 Award criteria at Page No.21 of 23 of Section-2 instructions to the bidder (ITB)	As per our understanding, this clause is not applicable. Even if we it is mandatory, kindly request you to allow virtual meeting through online discussions in the interest of time for completion of all the project field visits across various geographies.	The Contractor shall be required to attend all weekly site progress review meetings organized by the 'Project Manager' or his authorized representative. The deliberations in the meetings shall inter-alia include the weekly program, progress of work (including details of manpower, tools & plants deployed by the Contractor vis-a-vis agreed schedule), inputs to be provided by Employer, delays, if any and recovery program, specific hindrances to work and work instructions by Employer. The minutes of the weekly meetings shall be recorded in triplicate in a numbered register available with the Project Manager or his authorized representative. These representative and the Contractor and one copy of the signed records shall be handed over to the Contractor.	<b>Clarified as:</b> No Change. These are standard Clause of Section 2 their applicability may be seen and read in context Scope of Work and related specific Clause(s) of Section 4 of RfP.
31	Clause no. ITB 4.6 at Page No.16 of 18 of SECTION – 4 (Part-A - BDS)	We kindly request you to elaborate on the production capabilities, what all the relevant information needs to be provided for evaluation.	The determination will take into account the Bidder's financial, technical capabilities including production capabilities, in particular the Bidder's contract work in hand, future commitments & current litigation and past performance including fatal accidents during execution of contracts that have been awarded by the Employer on the Bidder.	<b>Clarified as:</b> The required details are also mentioned in the QR
32	Clause no. 1.1 Qualification of the bidder 1.1.2 at Page No.4 of Part-b of Section-4 (Eligibility and Qualifying Requirements (QR))	If the completion certificate is given, we will provide. In some cases, as funding organization and govt. agencies do not provide completion certificates. we kindly request you to allow for submission of any one of the documents.	In case of documentary evidence of private companies, copy of GST return shall also be submitted as the proof of evidence for successful execution of the purchase orders/work orders/contract agreement/ LoAs / Lols. ii. Bidders who are submitting similar work for Baseline Study/M&V study/ decarbonization studies/Energy efficiency studies work: they have to submit their agreement defining scope of the services. iii. In case of order/work under execution, a summary sheet of all tax invoices along with their copies containing execution details (pertaining to Energy Audits/Baseline Study/M&V Study/ decarbonization studies/Energy efficiency studies as per qualification requirement, as applicable) of the client along with payment confirmation – preferably system generated – duly certified by practicing external Chartered Accountant along with the bid to	<b>Clarified as:</b> No Change
